

Student Success

Many of our students have enjoyed incredible success in academic, sporting and other fields.

These include:

- Representing Thailand in the Olympic Games
- Top in the World and Top in Thailand awards for IGCSEs

- Champion golfers and racing car drivers
- Gaining places at top universities around the world

"GIS students are regularly awarded Top in Thailand and Top in the World honours for our IGCSE results."

"Our IGCSE results are far higher than the UK average."

Support and Care

GIS is an exciting and stimulating place for students. We work hard to create a positive environment where students of all ages can engage with and enjoy learning.

Students have a Form Tutor who is responsible for his or her pastoral care. We also have counsellors who are available for consultation with our students if they would like to discuss any private issues.

At GIS we feel it is important to develop positive relationships between parents and teachers. We aim to make you feel welcome and provide you with all the information you require for peace of mind before and during your child's time with us.

"GIS is set in a semi-rural location, with excellent links to Pattaya and Rayong."

"The best-value international education on the Eastern Seaboard."

"GIS is the only school on Thailand's Eastern Seaboard to have full accreditation from the Council of International Schools (CIS)."

Academic Excellence

At GIS we offer an International Curriculum using the British system as a framework, modified to suit the needs of our international intake. We offer the following subjects:

- English Language and Literature, English Language Support
- Design & Technology, Science
- Mathematics, Information and Communication Technology
- Mandarin, Spanish, Thai Culture, Thai Language.
- Art, Drama, Music
- Business Studies, Geography, History

Core Values
