Boarding Staff

Our Boarding House is in the town of Ban Chang on Thailand's Eastern Seaboard. The Boarding House is on a secure housing estate, a short distance from school and comprises specially-adapted terrace housing on a quiet street. This homely domestic setting allows us to offer individual attention to every student and lets us really 'know' your child.

The Boarding House enjoys the full support of the school and is managed by caring and supportive staff on a full-time basis.

We provide an excellent family-centred atmosphere for all the boarding students to enjoy.

We are delighted to be able to offer full-time or weekly boarding options.
